

Entertainment Section

1 Artist Selection

1. Choose artists who are currently trending and popular with youth.
2. Make sure they have a local fanbase, not just online popularity.
3. They must have high energy and strong stage presence to keep young crowds engaged.

2 Publicity Strategy

1. Heavy social media marketing (Reels, countdowns, promo videos).
2. Create urgency and hype (“Limited tables left”, “VIP almost sold

3 Budget & Risk Control

1. Secure table sales early (they bring faster cash).
2. Make sure you can break even with at least 120 people.
3. Youth usually buy late, so push group deals and VIP tables.
4. Control spending and collect deposits early.

Musicians Budget Breakdown

Entertainment Section

- Remaining budget: €3,980

Entertainment Section

Final Calculation
Sales Plan

Entertainment Section

- 10 tables × €400 = €4,000
- 71 tickets × €50 = €3,550

Total Revenue

€4,000 + €3,550 = **€7,550**

Net Profit

€7,550 – €6,020 = **€1,530 PURE PROFIT**

Event Summary

- Total attendees: **121 people**
- All artists fully paid
- All production covered
- Net profit: **€1,530**
- Risk level: LOW (you only need 121 people)
